

GLASS RING

The **GLASS RING** serves as a holder for our various **SPHERES**. If a **SPHERE** is placed on the ring, the energies of the **SPHERE** are strongly grounded and its potential intensified.

Applied to the body, its shape creates a vortex, which brings the user into its center. Thus he comes into contact with his inner truth and can recognize the light he is in truth. Thus the **GLASS RING** promotes the confidence in oneself and in the light.

ELYMARA crystals illuminate the individual light-essences of every person. The effects of these light crystals are versatile therefore we recommend to test the optimal product individually. Our consultants will be happy to assist you.
